Technical Writing and Presentation Skills (HSS-320)

Assignment No. 1 (Total Marks 5)

Assignment 1: Focus on Clarity

Passage:

The new library system was implemented to streamline the borrowing process for users. Unfortunately, due to a complexity in the user interface, some users have expressed frustration in navigating the system.

MCQs:

1. Which word can replace "complexity" to make the sentence clearer for non-technical users?

   a) Difficulty

   b) Problem

   c) Error

   d) Confusion

2. What can be done to improve the clarity of the sentence "some users have expressed frustration"?

   a) Change "some" to "all"

   b) Change "frustration" to "confusion"

   c) Specify the type of frustration (e.g., difficulty using menus)

   d) No change needed
